Basic Beliefs

After reading this lesson, please contemplate it deeply and follow the Admonition of the Apostles to pray about it, that your heart and mind can testify of the truth.

“Therefore, we would ask that when you read these things, which the spirit of God has led you to read, that you would not blindly heed the exhortations of men.

“But go in humility to seek out God, in a quiet place of solitude, in the brightness of the Sun. And upon your knees, with palms together, with an open heart humbly desiring to know the light of truth, lift up your face to the warmth of the Sun, and in the name of Yeshua the Messiah, ask to know the truthfulness of our words...

“And if you shall ask with a humble spirit, with an open heart, and in all sincerity desiring to know the truth, the spirit of God shall flow into you.

“And you shall know the truth and the truth will set your spirit free; and with an overflowing joy in your heart and
